**DESCRIPTION, CONSIDERATIONS AND REASONS FOR THE TRANSACTION
COMPARED WITH OTHER SIMILAR TRANSACTIONS WHICH ARE NOT PERFORMED
WITH AFFILIATED PARTIES**

By implementing the Transaction, PBJ is able to provide financing support that will be used by MMI for (i) the repayment of the provided commitment under the Advance of Capital Increase Agreement dated 3 May 2023, made by the Company with MMI, to the Company along with all costs arising from such repayment; and (ii) its general corporate purposes, including capital expenditures, operational expenses, and working capital, where the funds can be obtained by MMI in a shorter time compare to obtaining funding from financial institutions. Therefore, the Transaction will be more efficient if carried out with PBJ as an affiliated party. Furthermore, it is expected that the Transaction may provide a positive impact on the Company, ultimately creating an indirect added value for the Company's Shareholders.

The Transaction has also been assessed by internal procedures using similar terms and conditions if the Transaction is conducted with a non-affiliated party, hence the terms and conditions of the Transaction are carried out by commonly accepted business practices. Furthermore, the Transaction is also more effective and efficient if it is carried out by affiliated parties of the Company.

**STATEMENT OF THE BOARD OF COMMISSIONERS
AND BOARD OF DIRECTORS OF THE COMPANY**
